BORMIO SKIPASS 2022/2023

Presale from September 3 to 6 November 2022

Winter is still far away but those who love skiing, never stop thinking about it. Besides, everyone knows, **the earlier you buy, the more you save**, especially from this year.

If you are a regular in our ski area, we recommend that you consider buying a **season skipass**.

Please note that the seasonal formula is not only dedicated to individual users, but also rewards families: against the purchase of an adult skipass, **the skipass for children up to 8 years old is free**. One more opportunity to choose to spend wonderful days in the snow with the whole family.

If the season pass is right for you, then take note: for a limited period **from September 3 to November 6 2022**, it will be possible to purchase **the season pass in advance** at a discounted price.
